

AFSHAN QASIM

MERN STACK DEVELOPER

Chakwal(punjab) Pakistan || qasimafshan89@gmail.com 03195443935

ABOUT ME

A dedicated MERN stack developer with a strong foundation in building full-stack web applications. Proficient in creating responsive user interfaces with React and developing robust, scalable backend services with Node.js and Express.js. Experienced in designing database schemas and managing data with MongoDB.

TECHNICAL SKILLS

- Version Control & Collaboration
- Web Security & Performance Optimization
- Responsive Web Design & Mobile-First Development
- Interactive UI
- Web scraping and parsing data

PROJECTS

Elevate_ed (ongoing)

- Built a comprehensive mentoring platform featuring real-time messaging, profile management, and OTP authentication, designed to globally democratize access to educational resources and personalized guidance.

E_plant shopping website

- Developed a responsive and interactive e-commerce user interface for a plant store using React. Implemented features for browsing products, filtering items, and managing a client-side shopping cart. Fetched product data from a mock/static JSON API

EDUCATION

Bachelor's of Information Technology (on going) Sep2022-Aug 2026

The University of Chakwal

Currently maintaining a high cgpa of 3.81 demonstrating strong academic performance and dedication.

Intermediate (Fsc pre_engineering) 2019-2021

FSC Pre-Engineering from Women's College, Chakwal, with obtained marks of 940. Strong foundation in engineering principles
